Queste tavole sono la storia di alcuni ragazzi dell’underground, alle prese con i loro sogni e turbamenti, in una Varese alcolica, drogata e sognatrice d’altri mondi, in un futuro utopistico, in cui la tecnologia la fa da padrone, l’alieno è materia di tutti i giorni, e l’alienazione da parte dell’uomo sul suo stesso pianeta è segnata, non resterà ai protagonisti che fuggire in un altra dimensione, la fantasia.
